WELCOME TO OPATIJA!

It is our great pleasure and honor to invite you to the 10th Central European Oncology Congress - Best of ASCO Meeting 2014. The Central European Oncology Congress is a regional, multinational meeting intended for the continuing education of medical, radiation and surgical oncologists, other health professionals involved in cancer patient care and trainees. CEOC-2014 combines Best of ASCO presentations, multidisciplinary tumor boards, a forum for young oncologists, and satellite symposia by pharmaceutical companies. In addition to expert lectures, it is our wish that our partners, suppliers and manufacturers actively participate as congress sponsors with sponsored satellite symposia and/or as exhibitors. We kindly ask you to join us and ensure required quality and standard of the Congress, your contribution is greatly appreciated.

For all the details about sponsorship opportunities, registration and payment, please contact Technical organizer.
